WORK EXPERIENCE

WBCB Sports Network

April 2024 -Present

- Play-By-Play Broadcaster & Camera Operator
 - Lead voice for select high school sporting events in Mercer County, N.J.
 - On-air tasks include describing the action, hosting pre and post-game shows & delivering live ad reads
 - Conduct live impromptu interviews with the Player of the Game
 - Main camera operator for YouTube live stream, simultaneously serving as color commentator for premier games

ClutchPoints

March 2023 - Present

- MLB Content Creator
 - Deliver in-depth coverage of Major League Baseball, including trade predictions, player and team rankings, as well as evaluations of signings and trades
 - Develop engaging scripts and captions for social media posts and projects
- Associate Editor, All Sports
 - Write an average of 40+ articles per week, including both long-form and short-form editorials, covering breaking news, trending topics, and rumors across a wide range of sports
 - Excel in a dynamic environment where quick writing, timely publication, and high-quality content production are crucial
 - Analyze trending sports topics and statistics to ensure the accuracy and reliability of information

Trenton Thunder

MLB Draft League Affiliate

June 2024 - September 2024

- On-Field Host & Public Address Announcer
 - Engage the crowd with interactive activities and promotions throughout the game, creating an energetic and memorable experience
 - Support the Marketing Director by overseeing the Promo Crew on game days to ensure smooth operations
 - Prepare thoroughly for scheduled on-field interviews with guests, and adeptly handle spontaneous interviews with players and fans.
 - Demonstrate excellent speaking skills and a captivating stage presence
 - Provide on-air commentary as a color commentator and play-by-play announcer during select home games

Sirius XM

September 2022 - December 2022

- MLB Network Radio Intern
 - Edited audio clips, including interviews, game highlights, and promos, for live broadcast on the station
 - Screened calls, created show logs and produced content for various live and recorded shows, including *Remember When*, *Loud Outs*, and *Power Alley*
 - Assisted in managing time and ensuring the cohesiveness of featured segments and advertisements
